

1 Ajax Place Blacktown NSW

4 🏠 2 🚗 2 🚗

Roomy, versatile and brimming with possibilities, this spacious residence gives you scope and amenities galore for family living, entertaining, home business and even accommodating extended family! Entertaining is a breeze with a covered, paved pool area outside, and huge upstairs rumpus, plus the potential for a covered entertaining area. The student and/or home business operator gets a dedicated, secluded and roomy space, and there's even a self-contained one-bedroom granny flat, complete with its own entrance, off-street car space and separate yard!

The property is neat and expansive, and money can't buy its lovely established gardens and green stretches for the kids and pets. What's more, it sits on almost 700m2 of premium Blacktown land, handy to all the best amenities around. This is a must-see!
