Five semi-rural acres that give you the best of both worlds - country serenity and privacy, and easy accessibility to the big, bustling world. Every morning, you wake up to the sounds, smells and spectacular sights of the Aussie bush. But the setting, with its beautifully maintained and varied acreage and stunning northerly aspect, is only one of the stars of the show! The home itself features sweeping, spacious internals, lots of versatility that promises even more, and modern appointments. The homebody, handyman, student and chef all get to enjoy fantastic spaces of their own. The host will love the delightful indoor-outdoor experience provided by the huge entertainer's deck and separate deck, and the luxuriously large pool. Family and extended family are easily catered for with an abundance of amenities and a separate studio that is fully self-contained with its own access.
