Quirky, versatile and accommodating, this three-bedroom family home has been refurbished & promises even more for the lucky new owner. Sitting on an established block with plenty of room for the kids and pets to frolic, its interiors offer uncomplicated but elegant and open design, ample private spaces and cosy but easy-flowing living areas. The extensive deck, accessible from the dining area, offers a lovely indoor/outdoor experience and is easily amenable to being covered. The garage is a feature in itself! Brick veneer, with an abundance of workshop space for the handyman, hobbyist, tradie or renovator, this is a must-see!
