When it comes to location and accessibility to all the best services, amenities, shopping, arterials and transport in the Blacktown area, this is a must-inspect. The interiors have been modernised by tasteful owners, and are family-friendly and well-appointed, with scope for so much more for the imaginative owner, whether you add or extend. The large yard allows for an entertainer's deck, and space for a potential granny flat (STCA). Meanwhile, its attractively established spaces allow plenty of room for the kids and pets. The situation alone makes this a superb investment in your family and future.
